APPLICATION FOR LISTING OF THE H SHARES ON THE STOCK EXCHANGE

Application has been made to the Listing Committee for the grant of the listing of, and permission to deal in, (i) our H Shares to be issued pursuant to the Global Offering (including any H Shares which may be issued pursuant to the exercise of the Offer Size Adjustment Option and the Over-allotment Option) and (ii) the H Shares to be converted from our existing Unlisted Shares.

STRUCTURE OF THE GLOBAL OFFERING

The Global Offering comprises:

- (1) the Hong Kong Public Offering of initially 3,083,200 H Shares (subject to reallocation and the Offer Size Adjustment Option) in Hong Kong, representing approximately 10% of the total number of Offer Shares initially available under the Global Offering; and
- (2) the International Placing of initially 27,748,200 H Shares (subject to reallocation, the Offer Size Adjustment Option and the Over-allotment Option), representing approximately 90% of the total number of Offer Shares initially available under the Global Offering.

The allocation of the Offer Shares between the Hong Kong Public Offering and the International Placing will be subject to reallocation as described in the section headed “Structure of the Global Offering” in the Prospectus.

The Offer Shares to be offered in the Hong Kong Public Offering and the International Offering may, in certain circumstances, be reallocated as between these offerings at the discretion of the Overall Coordinators. Subject to the allocation cap described in the subsequent paragraph, the Overall Coordinators may in their discretion reallocate Offer Shares from the International Offering to the Hong Kong Public Offering to satisfy valid applications under the Hong Kong Public Offering. In addition, if the Hong Kong Public Offering is not fully subscribed, the Overall Coordinators will have the discretion (but shall not be under any obligation) to reallocate to the International Offering all or any unsubscribed Hong Kong Offer Shares in such amounts as they deem appropriate.

In each case, the additional Offer Shares reallocated to the Hong Kong Public Offering will be allocated between Pool A and Pool B and the number of Offer Shares allocated to the International Offering will be correspondingly reduced in such manner as the Overall Coordinators deem appropriate. In the event of reallocation of Offer Shares between the International Offering and the Hong Kong Public Offering in the circumstances where (a) the International Offer Shares are fully subscribed or oversubscribed and the Hong Kong Offer Shares are fully subscribed or oversubscribed irrespective of the number of times, or (b) the International Offer Shares are undersubscribed and the Hong Kong Offer Shares are fully subscribed or oversubscribed irrespective of the number of times, then up to 1,541,400 Offer Shares may be reallocated from the International Offering to the Hong Kong Public Offering, so that the total number of Offer Shares available for subscription under the Hong Kong Public Offering will increase up to 4,624,600 Offer Shares, representing approximately 15% of the number of Offer Shares initially available under the Global Offering (before any exercise of the Over-allotment Option) in accordance with Chapter 4.14 of the Guide for New Listing Applicants.

Given the initial allocation of the Offer Shares to the Hong Kong Public Offering and the International Offering follows the provision of Paragraph 4.2(b) of Practice Note 18 of the Listing Rules, no mandatory clawback or reallocation mechanism is required to increase the number of Offer Shares under the Hong Kong Public Offering to a certain percentage of the total number of Offer Shares offered under the Global Offering.

In order to provide the Company with the flexibility to increase the number of Offer Shares available under the Global Offering to cover additional demand, the Company has an Offer Size Adjustment Option which will allow the Company to issue up to 4,624,600 additional Offer Shares (representing approximately but not more than 15.0% of the Offer Shares initially being offered under the Global Offering) (the “**Offer Size Adjustment Option Shares**”) at the Offer Price. The Offer Size Adjustment Option is contained in the Hong Kong Underwriting Agreement and is exercisable by the Company with the prior written agreement between the Company and the Overall Coordinators (for themselves and on behalf of the Underwriters) on or before the time of the execution of the International Underwriting Agreement. If it is not exercised by such time, then the Offer Size Adjustment Option will lapse.

These Offer Size Adjustment Option Shares, if any, will be allocated in such manner as closely as practicable to maintain the proportionality between the Hong Kong Public Offering and the International Offering and the Overall Coordinators shall allocate additional Shares to be offered by our Company pursuant to the International Offering to the Hong Kong Public Offering in order to maintain such proportionality and the relevant number of Offer Size Adjustment Option Shares shall be allocated to the International Offering to maintain such proportionality, i.e., the initial proportion of 10.0%:90.0% between the Hong Kong Public Offering and the International Offering.

If the Offer Size Adjustment Option is exercised in full, the additional Offer Shares to be issued pursuant thereto will represent approximately 2.91% of our enlarged issued share capital immediately following the completion of the Global Offering (assuming the Over-allotment Option is not exercised). The dilution effect of the Offer Size Adjustment Option (assuming the Over-allotment Option is not exercised) is set out below:

Number of Shares issued under the Global Offering before the exercise of the Offer Size Adjustment Option (the “Original Subscribers”)	Approximate percentage of total issued share capital held by the Original Subscribers before the exercise of the Offer Size Adjustment Option	Number of Shares issued under the Global Offering after the exercise of the Offer Size Adjustment Option in full	Percentage of total issued share capital held by the Original Subscribers after the exercise of the Offer Size Adjustment Option in full
30,831,400	19.95%	35,456,000	22.28%

In connection with the Global Offering, we may grant the Over-allotment Option to the International Underwriters, exercisable by the Overall Coordinators (in their sole and absolute discretion for themselves and on behalf of the International Underwriters).

Pursuant to the Over-allotment Option (if granted), the International Underwriters will have the right, exercisable in whole or in part by the Overall Coordinators (in their sole and absolute discretion for themselves and on behalf of the International Underwriters) at any time from the Listing Date until 30 days after the last day for the lodging of applications under the Hong Kong Public Offering (being the last day for the exercise of the Over-allotment Option), to require our Company to allot and issue up to an aggregate of 4,624,600 H Shares, representing approximately but not more than 15% of the total number of Offer Shares initially available under the Global Offering (assuming the Offer Size Adjustment Option is not exercised at all), or up to 5,318,400 additional H Shares (representing in aggregate 15% of the total number of Offer Shares being offered under the Global Offering assuming the Offer Size Adjustment Option is exercised in full), at the Offer Price under the International Offering to, amongst others, cover over-allocations in the International Offering, if any.

If the Offer Size Adjustment Option is not exercised and the Over-allotment Option is exercised in full, the additional International Offer Shares to be issued pursuant thereto will represent approximately 2.91% of the issued share capital of the Company immediately after the completion of the Global Offering and the exercise of the Over-allotment Option. If the Over-allotment Option is exercised, an announcement will be made.

PRICING

The Offer Price will be HK\$14.28 per Offer Share, unless otherwise announced. Applicants under the Hong Kong Public Offering may be required to pay, on application (subject to application channels), the Offer Price of HK\$14.28 per Share, plus 1.0% brokerage, 0.0027% SFC transaction levy, AFRC transaction levy of 0.00015% and 0.00565% Stock Exchange trading fee.
